Re: Your Letter dated on April 9th 2024 – Claim on Copyright Infringement of Sophia Parker Studios, Inc’s Sculpture entitled “Memphis Chainsaw”.

Dear Mrs Bruno,

On Behalf of TMLL LTD and Mrs Alice Temperley , We want, with this present letter , to confirm that we have received your above mentioned claim.

We are presently seeking legal advice, and need more time to investigate the claims given the fact that the designer is no longer with the company and is currently dealing with a serious family member’s health crisis.

We are available to provide a more substantive response in a few weeks.

Yours Sincerely
